

FOREWORD

The United States Air Force Statistical Digest has been published each year since 1948. It is the longest running continuing publication in the Air Force having first appeared one year after the Air Force was formed as a separate service. Individuals requiring a historical description of Air Force resources, organizations, and activities have found each issue an invaluable addition to their reference sources.

We welcome your comments and suggestions for improvement of future issues. Suggested new topics and/or different data arrays will be seriously considered. This is your publication - we want to make it as useful as possible. Mail your suggestions to SAF/FMC, 1130 Air Force Pentagon, Washington, D.C. 20330-1130 or email them to rachel.weber@pentagon.af.mil. The FY 2006 Statistical Digest should be available on the AF portal in the late Spring of 2007. Please note that some of the comparable data for identical time periods in this year's edition may differ from those in previous editions. This is because of updates to prior years' actuals and a thorough revisit to all cited original sources.

For more information about the office and activities of the Assistant Secretary of the Air Force (Financial Management and Comptroller) and subordinate offices, log on to the SAF/FM portion of the AF portal. This web site is also an excellent source of information for the entire spectrum of financial management.

Undistributed offsetting receipts are offsetting receipts that are not offset against any specific agency or programmatic function. This is the reason the exact percentages exceed 100%.

Footnotes:

- (1) The FOA total numbers are lower than in previous editions of the Statistical Digest. The FY05 edition was adjusted to reflect the correct FOAs and DRUs. Air National Guard Civilians are now included at the end of the table rather than with the FOAs.
- (2) The Secretary of the Air Force consolidated the Air Force Base Conversion Agency with the Air Force Real Estate Division (SAF/IEIR) to form the Air Force Real Property Agency (AFRPA).
- (3) Personnel in AF History Support Office are now counted in AF Historical Research Agency as of FY04.
- (4) In FY05 personnel shifted from the AF Medical Ops Agency to AF Medical Support Agency.
- (5) The FY05 increase in AF Personnel Ops Agency was due to a programmed growth.
- (6) AF Real Estate Agency merged with AF Base Conversion Agency.
- (7) AF Comm and Info Center's name changed to AF Communications Agency in FY01. Some personnel were still coded with that old name in FY01 and FY02.
- (8) Includes all AF Elements, Joint Commands (ANG Civilians, HQ USAF, and NORAD shown separately but included in the total other).

Notes:

Total excludes Academy Cadets.

FOOTNOTES:

(1) The Consumer Price Index (CPI) is a measure of the average change in the prices paid by urban consumers for a fixed market basket of goods and services. The CPI is calculated monthly for two population groups, one consisting only of urban households whose primary source of income is derived from the employment of wage earners and clerical workers (CPI-W), and the other consisting of all urban households (CPI-U). The all-urban consumer index (CPI-U), introduced in 1978, is representative of the 1982-84 buying habits of about 80 percent of the noninstitutional population of the United States at that time.

(2) Major groups include energy, food, shelter, apparel and upkeep, transportation, medical care, fuel oil, electricity, utility (piped) gas, telephone services, and all commodities.

FOOTNOTES (1) Does not include Locality Pay

(2) The National Defense Authorization Act for Fiscal Year 2004 (Public Law 108-136, November 24, 2003) authorized a new performance-based pay system for members of the Senior Executive Service (SES). The Act amends 5 U.S.C. 5382 to replace the current six-level pay system for the SES with a single, open-range "payband" that has only its minimum and maximum rates fixed by statute.
