STATISTICAL DIGEST

FISCAL YEAR 2006

PREPARED BY

DEPUTY ASSISTANT SECRETARY

(COST AND ECONOMICS)

ASSISTANT SECRETARY OF THE AIR FORCE

(FINANCIAL MANAGEMENT AND COMPTROLLER OF THE AIR FORCE)

SAF/FMC, 1130 AIR FORCE PENTAGON,

WASHINGTON, DISTRICT OF COLUMBIA 20330-1130

FOREWORD

The United States Air Force Statistical Digest has been published each year since 1948. It is the longest running continuing publication in the Air Force having first appeared one year after the Air Force was formed as a separate service. Individuals requiring a historical description of Air Force resources, organizations, and activities have found each issue an invaluable addition to their reference sources.

We welcome your comments and suggestions for improvement of future issues. Suggested new topics and/or different data arrays will be seriously considered. This is your publication - we want to make it as useful as possible. Mail your suggestions to SAF/FMC, 1130 Air Force Pentagon, Washington, D.C. 20330-1130 or email them to steven.andrasz@pentagon.af.mil. The FY 2007 Statistical Digest should be available on the AF portal in the late Spring of 2008. Please note that some of the comparable data for identical time periods in this year's edition may differ from those in previous editions. This is because of updates to prior years' actuals and a thorough revisit to all cited original sources.

For more information about the office and activities of the Assistant Secretary of the Air Force (Financial Management and Comptroller) and subordinate offices, log on to the SAF/FM portion of the AF portal. This web site is also an excellent source of information for the entire spectrum of financial management.

Footnotes:

- (1) The FOA total numbers are lower than in previous editions of the Statistical Digest. The FY05 edition was adjusted to reflect the correct FOAs and DRUs. Air National Guard Civilians are now included at the end of the table rather than with the FOAs.
- (2) The Secretary of the Air Force consolidated the Air Force Base Conversion Agency, AF Real Estate Agency, and Air Force Real Estate Division (SAF/IEIR) to form the Air Force Real Property Agency (AFRPA).
- (3) Personnel in AF History Support Office are now counted in AF Historical Research Agency as of FY04.
- (4) In FY05 personnel shifted from the AF Medical Ops Agency to AF Medical Support Agency.
- (5) The FY05 increase in AF Personnel Ops Agency was due to a programmed growth.
- (6) AF Comm and Info Center's name changed to AF Communications Agency in FY01. Some personnel were still coded with that old name in FY01 and FY02.
- (7) 11th Support wing personnel responsible for greater capital region assigned AF personnel now organized under AF District of Washington. As part of this, The AF Pentagon Comm Agency was redesignated the 844th Communications Group as a part of the AF District of Washington. The 844 CG is organized into two squadrons, the 744th which is located at Andrews AFB and the 844th which is responsible for Air Force communications needs in the Pentagon. Between the two units, the communications needs of AFDW are served.
- (9) Includes all AF Elements, Joint Commands (ANG Civilians, HQ USAF, and NORAD shown separately but included in the total other).

Notes:

Total excludes Academy Cadets.

FOOTNOTES:

- (1) Totals may not add due to rounding.
- (2) Primary delimiter used for FY 06 was the "Functional Account Code". This is a greater level of aggregation and a single FAC may possibly contain more than one career field in it. Hence, this data may not easily reconcile to other tables, such as one by specific AFSCs, as an example.
- (3) Active Duty Civilians include those who also serve in the Guard/Reserve. The Guard & Reserve/ IMA Drill data not included.
- (4) The Services career field recently combined with the Manpower and Personnel career fields. As of this date, they are now The "Force Support Squadron" at base level.
- (5) Transient/Patient data is no longer available because of a policy change.
- (6) DoD-wide support activities provided by the Air Force, such as JCS Joint Task Service, Travel, etc.

FOOTNOTES:

(1) The Consumer Price Index (CPI) is a measure of the average change in the prices paid by urban consumers for a fixed market basket of goods and services. The CPI is calculated monthly for two population groups, one consisting only of urban households whose primary source of income is derived from the employment of wage earners and clerical workers (CPI-W), and the other consisting of all urban households (CPI-U). The all-urban consumer index (CPI-U), introduced in 1978, is representative of the 1982-84 buying habits of about 80 percent of the noninstitutional population of the United States at that time.

(2) Major groups include energy, food, shelter, apparel and upkeep, transportation, medical care, fuel oil, electricity, utility (piped) gas, telephone services, and all commodities.
